Dear Dr. R.Kiran

Sub: Academic Appreciation award- 2017

We at AWA, believe in creating awareness about the career choices students can make after their 10th or 12th std alongside our other program on gender issues or environmental concern. Besides, we recognize certain personalities who have contributed to the community through their chosen profession.

We take the pleasure in informing you that, we have selected you as one of the recipient to receive this honor of "Best Teacher Award 2017" from our organization for your 2 decades of unflinching service in the field of education and helping students especially in the vagaries of higher education and the support you extend to your fellow teachers. We wish you continue this great service of Nation Building by educating the students in the right direction. This program is delayed as the other recipient had some medical emergency.

This program is scheduled for 15th October 2017, Sunday 11am @ 99, 18th G cross, 3rd main, Hoysalanagar, near Ramamurthynagar, Bangalore-16.

Please accept this formal invitation and let us know your interest towards this.

Regards.
